

Functions and Events Reservations Information

Thank you for your enquiry!

Should you wish to consider making a function reservation with us, please take note the framework information as a guide...

Afro-Boer is not a venue
We do not charge venue fees

When booking a function for a table of 8 and more persons, to prevent hold-ups in the kitchen, you will be required to consider:

1. a pre-ordered menu
2. a set menu
3. package or platter options

Menus and packages are confirmed and finalised on a Function Sheet and a 50% Deposit paid to secure the reservation

All pre-ordered food is paid in advance and suffices as a non-refundable deposit

Should you wish to bring your own cake, food, or food gifts onto the premises, a R300 cake fee will apply once the product is opened or consumed

Cakes are made by us if pre-ordered in advance, unless arranged otherwise - we do do referrals

Decorations are most welcome, especially since we do not decorate!
We recommend matching serviettes, flowers, and balloons in the garden

The garden is a shared space for old, young, and a multitude of pets.

All pets are to be leashed please

We are a pet friendly establishment, however, we cannot accommodate pets inside in the café or on the stoep - we thank you for your patience with regards to this

All garden crockery and cutlery are compostable as far as possible to prevent glass posing a risk on the grass

We unfortunately do not close off the garden for children's parties

No own food and beverages are permitted on our premises

No smoking or vaping is permitted at the tables
We ask that smoking patrons make use of a garden bench or the vegetable garden at the café side as a smoking area

To prevent a certain level of overuse and damage, we do not move café tables and chairs onto the lawn or garden area

Alcoholic beverages and bubbles will only be served from 10h00

Corkage charge is R60 per bottle for two bottles
no alcohol will be served to under 18 year olds
